PROUDLY SERVING THE PEOPLE OF WEST TEXAS

2023 RESULTS REPORT FROM CHAIRMAN JODEY ARRINGTON

Dear Friend,

As we quickly approach the end of 2023, I am reminded what an honor it is to represent the great people of West Texas and fight to rein-in Washington, restore our freedom, and return power back to the “We the People.”

This year, I was elected by my peers to serve as Chairman of the United States House Budget Committee, and I am proud to lead the charge to stop Washington’s reckless spending that is bankrupting our country and restore fiscal sanity to the United States Congress before it’s too late.

West Texans expect their leaders to fight for their principles, follow through on their promises, and deliver results for the American people – and that’s exactly what my team and I have done.

Below is a list of some of our accomplishments of 2023.

It is an honor and a privilege to represent you. Please don’t hesitate to reach out to me or my office if we can be of service.

God Bless, and Go West Texas!

Your friend and fellow West Texan,

Jodey
