

Member Designated Project Information

Project Name: City of Abilene's Multi-Modal Transit Project

Purpose of Project: This project would construct a new Multi-Modal Transit Facility that will help urban and rural transit providers operate more efficiently and improve transit service for the public throughout the Abilene region. The project is anticipated to have the following benefits: provide an expanded maintenance facility for vehicle repairs, more efficient administrative space for staff, infrastructure for alternate fuel buses, and additional parking for the public and employees.

Location of the Project: City of Abilene; Taylor County; Texas; TX-19

Project Sponsor: Texas Department of Transportation

Requested FY'22 Funding Amount: \$12,000,000

Subcommittee: Highways and Transit Subcommittee

Dear Chairman DeFazio and Ranking Member Graves:

I am requesting funding for the City of Abilene's Multi-Modal Transit Project in the surface transportation reauthorization legislation.

The project sponsor is the Texas Department of Transportation, and the project is located in the City of Abilene, Texas.

The funding is designated for the construction of a new Multi-Modal Transit Facility that will help urban and rural transit providers operate more efficiently and improve transit service for the public throughout the Abilene region.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: provide an expanded maintenance facility for vehicle repairs, more efficient administrative space for staff, infrastructure for alternate fuel buses, and additional parking for the public and employees.

I certify that neither I, nor my immediate family, has any financial interest in this project.

Sincerely,

Jodey C. Arrington
Member of Congress
